| Passage:       | <p>Read the paragraph carefully and answer the questions:</p> <p>The painting is done in wash technique, it yields a soft, misty and impressionistic landscape. This quality of hazy atmosphere suggests end of a life. A collapsed animal has been shown in the painting with Red colour in the background which depicts a dusk scene and personifies the end of a travelling through the end of the day. The artist has captured the portrait and narrated with the help of symbolic aesthetics on one hand and literary illusions on the other.</p> |

| Passage:       | <p>Read the paragraph carefully and answer the questions:</p> <p>The painting is done in wash technique, it yields a soft, misty and impressionistic landscape. This quality of hazy atmosphere suggests end of a life. A collapsed animal has been shown in the painting with Red colour in the background which depicts a dusk scene and personifies the end of a travelling through the end of the day. The artist has captured the portrait and narrated with the help of symbolic aesthetics on one hand and literary illusions on the other.</p> |

| Passage:       | <p>Read the paragraph carefully and answer the questions:</p> <p>The painting is done in wash technique, it yields a soft, misty and impressionistic landscape. This quality of hazy atmosphere suggests end of a life. A collapsed animal has been shown in the painting with Red colour in the background which depicts a dusk scene and personifies the end of a travelling through the end of the day. The artist has captured the portrait and narrated with the help of symbolic aesthetics on one hand and literary illusions on the other.</p> |
| Question:      | Identify the animal depicted in the painting who is shown overburdened and tired.                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
